Dear Ms. Hagerty:

While it is my understanding that the public comment period for the proposed Muslim Youth Camp near Coralville Lake has ended, I would like to voice my support for the proposed Muslim Youth Camp.

306 [The property in question served as a Girl Scout Camp for several decades and the proposed Muslim Youth Camp would serve a similar purpose. The "noise, traffic, waste water, wells and zoning" issues that arise from the location of a Muslim Youth Camp on that property are no different than those that arose when a Girl Scout Camp was located on that property. Furthermore, "strain on unimproved county roads and emergency services" are no different than the strains that occurred during the days of the Girl Scout Camp.]

5-9 [It is my understanding that any allegations that the camp was associated with terrorists are unfounded.]
